

MINMAX[®]

REACH SVHC-251 DECLARATION OF
CONFORMITY

Certificate of non-use of REACH Directive Substances

To the best of our knowledge and based on the information provided by our suppliers, we hereby certify that the products (product part numbers: All) supplied to your company comply with the requirements of Regulation (EC) No. 1907/2006 (REACH), including the threshold restrictions under Annex XVII and the criteria relating to the current Candidate List of Substances of Very High Concern (SVHC-251). The substances contained in our products are not intended to be released under normal or reasonably foreseeable conditions of use. The concentration of SVHC in a single article does not exceed 0.1% weight by weight (w/w), except for Lead*, for which Minmax will provide information regarding its presence. Furthermore, the quantity of Lead Minmax exports to Europe is less than one ton per year.

Note:

*Lead in the products is exempted under Annex III of 2011/65/EU (RoHS):

6(c) Copper alloy containing up to 4% lead by weight.

7(a) Lead in high melting type solders.

7(c)-1 Electrical and electronic components containing lead in a glass or ceramic other than dielectric ceramic in capacitors.
